

ATTENTION: RECYCLED WATER PROJECT

PLEASE EXPECT:

- Construction to begin October 2018 impacting Paseo de las Flores & Lynwood Drive
- Construction from 8am-5pm Monday through Friday
- Minor traffic delays
- Please drive safely
- Consider alternate driving routes
- Advance notice will be given to owners on these streets prior to construction in front of their homes

This project will help provide a cost-effective and drought-resistant water supply to our community. Thank you for your patience and understanding during construction.

Why choose recycled water?

-  Drought-resistant
-  Cost-effective
-  Local, Safe, and Sustainable

A San Elijo Joint Powers Authority-led project
