

Turn Off Your Sprinklers!

Remember to turn off your irrigation during rain events, and keep it off for at least 48 hours after. When you do turn your irrigation back on, look for breaks and leaks that need to be repaired. For assistance optimizing your irrigation system and schedule, sign up for a FREE WaterSmart Checkup at <https://www.watersmartcheckup.org/>!

Rain Barrel Distribution Event

San Dieguito Water District is co-sponsoring a rain barrel distribution event at the Solana Center in Encinitas on Saturday, March 2 from 9am-12pm. Pre-order your rain barrels at <https://www.rainwatersolutions.com/products/northcounty> today for pickup at the event. Orders must be placed online by February 26. Each barrel is \$90, and there is a \$35 rebate available through SoCalWaterSmart!

Visit www.sdwd.org/conserve for information on other available rebates, free workshops, and local events!
